

## Your German language school in Hamburg -

You can already express yourself in German with a high degree of confidence and you also understand more challenging German. Now you would like to develop your knowledge of the German language even further because you want to participate more intensively in daily life in Germany: in your job, in your leisure time and in public life. This is exactly where this course comes in. With specific exercises, you will master the German language even better. Since you know: the best key to participating in life in Germany is the German language!

### Suitable for

Adults of all ages with very good knowledge of German, who can also use this German language course to prepare for the TELC test

### Learning aims

- In exercises on standard situations in the German language, you will first of all **refresh your vocabulary and grammar**.
- You will learn **common German phrases** as well as important **colloquial expressions**. **The language used for instructions is German**. This way, you will become familiar with the German language from the very beginning.
- You will consolidate your knowledge of the German language through **realistic conversation situations** and role-plays
- After reading motivating texts, you will discuss a **wide range of topics** from the fields of work, leisure, economy, politics and culture with other people in the German class
- Thus you will be well-prepared for your **TELC German exam**
- If your learning group is interested, you can use the German language directly on location with our teachers e.g. on **visits to museums or theatres or city tours**
- After 18 course dates, you can continue to improve your German **for as long as you wish!**

### Your success in this German course

This German language course will take you further towards your goal to make German even more familiar to you. Whether at work, in your private life or in public, you will successfully take part in all areas of German life because you will master the German language almost like a native speaker.
